

Pro Tools LE Crossgrade facts:

Legacy customers who own Pro Tools LE can upgrade to Pro Tools 11 for a limited time while supplies last by purchasing the crossgrade activation card version sold online at Musician's Friend.

Please note this upgrade from LE to PT11 includes Avid Standard Support for 1 year, and a free upgrade to Pro Tools 12 when released.

New features coming in Pro Tools 12:

- Avid Everywhere (Collaborate in the cloud with other artists & producers anywhere in the world).
- Avid Marketplace (Share and sell your music/advertise your services as a musician, producer, etc.)
- Cloud storage to archive your projects.
- Collaboration with other apps such as Logic & Cubase.
- Universal Metadata tagging system.
- New Track Freeze features.

Standard Support for 1 year includes the following:

- Software upgrades and new feature releases for 1 year.
- Troubleshooting via online support (Unlimited with response times within one business day).
- Troubleshooting via phone (One phone call per month).
